

Hello everyone! As you know I am out on sabbatical resting and seeking God's vision for FBCD. If you would like to see what God is doing check out my blog, firstdenton.org/blog. As always, I appreciate your prayers. This is how you can pray for me this week:

This week I will be researching and writing. Pray that God would give me clarity of mind, creativity, and direction for my writing. Pray that God will encourage and strengthen me through my writing, as well as transform the lives of those who will someday read it.

Welcome To FBCD!

Dr. Everett's primary gifts are communication and visionary leadership. Serving as a pastor and seminary president in the nation's capital has given him a unique opportunity to observe the challenges facing the church in a multicultural pluralistic society.

His commitment to historical Baptist values, his vast experience serving as pastor in diverse and significant churches, his world-view shaped through leadership roles in the Baptist World Alliance and his service in multi-ethnic congregations have equipped him to lead Texas Baptists to reach out to the changing world in relevant and creative ways while maintaining timeless biblical truths.

Revival August 1-4  
Our Adults 55 Plus ministry will sponsor a Revival featuring evangelist Rick Ingle, with worship led by Keith McGee.

Dr. Randel Everett  
Executive Director, Baptist General Convention of Texas
