Coming Up at *Thirtyniners*

Paula House and her committee members have been busy lining up programs for 2010. By the way, if you have a suggestion, please contact Paula House or one of her committee members.

March: We are happy that Brad and Denise Springer are members of FBCD. Brad is Director of Camp Copass and will be our special guest to share a report about the ministry of the encampment. Brad, under God's leadership, has accomplished a lot in updating the facilities of Camp Copass. The beautiful new kitchen and dining area have been tremendous additions. You may or may not know that they are building a motel on the campus. This will truly benefit the ministry with retreats and conferences for all of North Texas. God has gifted Brad as a builder, and you can see his talent at work at Camp Copass.

April: Greenwood Singers (Bob Lamm, committee contact).

May: Dr. Nicki Sayani, Senior Eye Care (Colleen Briscoe, committee contact).

Remember, if you know of a program you know we would enjoy, contact Paula House.

Caregivers Support Group

*Monday, February 15
9:30-10:30 a.m.*

Anyone providing care or assistance to someone will find a welcome group willing to share various experiences on the third Monday of each month. You may have a friend who is not a member of FBCD who would benefit by this; invite them to get involved with our support group.

HEADLINES ... HEADLINES ... HEADLINES ...

FREE TAX HELP! Taxpayers age 60+ with low to moderate incomes can receive free tax preparation assistance at the Denton Senior Center. Our own Judy Murphy is available on Fridays, and Dan Phillips and Alton Taylor are also available to help. Please call 940-349-8728 to schedule your appointment on Monday, Wednesday, or Friday afternoon or on Tuesday or Thursday morning.

SPECIAL REQUEST: YOUTH NEED FREEZER. Our FBCD youth have a lot of activities that require the quick availability of snacks. They feel that if they had an upright freezer in their area in the church, they could keep some items on hand. If you know of someone who has a working freezer they no longer need, and would consider donating it to the youth department, call the Youth Office at 940-382-2577, ext. 191.

I LOVE DENTON DAY, MARCH 27. This will be a special day of opportunity for First Baptist Church of Denton. We hope to impact our city with FBCD members serving in various mission projects all over the city. You may know of a project that you feel needs attention. Hopefully, not only FBCD members, but others in Denton, will volunteer to let us take on the project to serve them. You will hear more about opportunities for involvement and have the chance to sign up for various mission projects. Doug Giles will assist us in this special mission day.

Michigan Trip

August 22-27, 2010

This trip looks to be very exciting! We will depart Sunday noon, August 22, and arrive that evening in Detroit, MI. We will stay at a Hampton Inn for our first two nights. We will be only 15 minutes away from the **Ford Museum, Greenfield Village, and the Ford Truck Plant.** Our entrance ticket will give you a choice of two out of three places to visit. I can assure you that the Ford Museum will be beyond your imagination. Pick up a brochure today, which contains a list of interesting things to see.

The **Greenfield Village** is one historical building after another, including the McGuffey Schoolhouse, the Wright Bicycle Shop, Thomas Edison Laboratory. There they can explain to you how to measure the candlelight of a flame. You will marvel at the history you will discover in the 80 authentic buildings on the campus.

The day will go by too fast to take everything into your mind. The eating place will have a different menu than you would expect in 2010. Oh, yes, if you plan to return to Michigan during the year, your ticket is good for a year.

You may wish to buy a ticket to ride the Model T Fords available, and the bus as well. Your ticket will permit you to ride as often as you wish on either mode of transportation.

Tuesday, August 24, we will make our way to Farmington Hills to visit a **Holocaust Memorial Center.** We will have a guide for an hour and a half,

followed by a 30-minute visit with a survivor of the Holocaust. In the afternoon we will arrive in Frankenmuth to visit the largest Christmas store you will ever see! **Bronner's Christmas Store** is open 361 days a year. You will be amazed with the size and the Christmas items available. The beautiful Silent Night Memorial Chapel is modeled after the original "Silent Night" church in Oberndorf, Austria. "Silent Night" is posted around the chapel in 300 different languages.

Our evening meal will be at the **Bavarian Inn**, with costumed waiters and waitresses. On our menu is a choice of Frankenmuth Style Chicken or Jaeger Schnitzel. There will be a shopping opportunity and a lovely city walk following dinner.

Wednesday, August 25, we will continue our journey to **Mackinac Island**, where you will experience a step back in time. Horse trolley or horse taxi is the mode of travel on the island. You may choose to ride a bicycle, or even a bicycle built for two. Most probably, you will choose to walk a lot, so you can enjoy the view and the stores on Main Street. Our stay will be in the beautiful **Grand Hotel**, a unique experience in itself. Dinner will be served to our men neatly dressed in coat and tie, and to our ladies in their Sunday dress apparel.

Joan and I could share so much more, but we will leave some for your own adventure on the trip.

The cost as listed in the brochure is \$1125, with a \$300 deposit at the time of sign-up. We have 50 spaces available, so you may have some friends come along to enjoy the lovely trip.

EXCURSIONS

BOTANICAL PARK

Friday, April 30

Sign-up begins March 12 (next 39ers meeting)

The park is near I-20, between Weatherford and Mineral Wells. Visitors leave one landscape and enter another, from a cactus and mesquite-strewn field into an English-style channel garden. We will stroll through 50 gardens across 35 acres. Way out on the prairie, visitors discover a floral wonderland they might expect to see much farther east. Trails bordered with boxwoods meander alongside irises, tulips, daylilies, and other Texas and Texas-adapted plants. It sounds like a beautiful walk! www.clarkgardens.com

Schedule, price, and sign-up will be available March 12.

BRANSON TRIP

November 15-19

We will have a sign-up poster at our next 39ers on March 12. We have eight shows planned! The shows and eating places will be listed in a brochure that will be available March 12.

We will definitely see *Miracle of Christmas* at the Light & Sound Theater. Hopefully, Dino will be available, too! We have the Moscow Circus planned, along with Paul Revere and the Raiders with the Comets, George Dyer, the Haygood Family, and Tony Orlando and the Lennon Sisters. Tony always does a great job telling the Christmas story.

We plan to eat at Montana Mike's on Hwy 76, Landry's, and two meals at the Savannah House. We always have a great time in Branson, so plan to go with us! We depart Denton on a Monday morning and return Friday evening.

HOLY LAND / JORDAN TRIP

We have some friends in Missouri planning to join us on this 12-day trip. Several others here at FBCD have indicated an interest as well. Naturally I will tell you that any believer who can possibly go will never regret the expense. Our brochure will be available March 1.

STAGE & SCREEN

One Thirty Productions presents

Grace and Glorie

Friday, March 19

Bath House Cultural Center

This Hallmark Hall of Fame production by Tom Ziegler is a heartwarming story of two women from very different worlds. Grace is a cantankerous woman of 60-plus years who plans to live out her life high in the Blue Ridge Mountains in the little cabin she calls home. The old stove smokes, there is no phone, and there are chickens on the front porch. Grace has broken her hip and the local hospice sends Gloria, a social worker and volunteer, over to "help" Grace. There are many laughs and a few tears as these women get to know each other and become good friends.
